Office Wetsuit Rental Order Form

Wetsuit Info:

Wetsuit packages are available to rent when needed and almost always recommended through mid-June on all CLASS IV-V whitewater. Packages include a neoprene Farmer John style wetsuit, nylon paddling jacket (to be worn over the suit), and neoprene booties. It's a good idea to wear shorts, or a bathing suit underneath your wetsuit. Additional fleece clothing such as Capilene underwear or Synchronia sweaters can be added for extra warmth when needed. (All these items are available for purchase at our retail store or check out our on-line store at paddle@sierrasouth.com.) We suggest you avoid wearing cotton since it absorbs water and does not dry quickly. Our reservationists are available to answer any questions you might have about your gear.

To Order:

Use this form to reserve Wetsuits, Paddle jackets, and Booties. Prebooked, Prepaid reservations will receive a discount and should be made as early as possible. **Many weekends will "sell-out"**, so reservations are taken on a first come first serve basis. Reservations can be made directly with Sierra South and must be picked up at the store. If we are unable to fill your order we will notify you otherwise. Fill in the name and sizes for each person. Enter the amount for each person, total all rentals including additional days, including those on the back if used, and add sales tax for the total amount due. We prefer you prepay with one check or credit card for the entire group. Include a check or fill in the credit card information. If paying by credit card, you may phone us or fax this form, if payable by check please include this form along with check.

Wetsuit pick-up is at Sierra South Mtn. Sports. The store is located at 11300 Kernville Rd. Coming from Lake Isabella the store is just across the bridge going east on the right side of the street. Look for the big yellow kayak on our roof.
